

Italian Shoes

Mink De Ville

[verse 1]

There's something about me the women all love
I wear Italian Shoes
Always in style, soft to the touch
I wear Italian Shoes

[chorus 1]

I'm gonna walk down the avenue
Shining like a Cadillac car
You better be sure I'm together
I look like a Hollywood star

[verse 2]

Check out the toes, sharp as a knife
I wear Italian shoes
Soft to the touch, always in style
I wear Italian Shoes

[chorus 2]

I'm gonna dance out on the floor
Looking like Johnny B Good
Better Be known I'm together
Better be understood

[verse 3]

They've got a feeling you know I love
I wear Italian shoes
Soft like butter, fit like a glove
I wear Italian shoes

[break sax]

[chorus 3]

I've got my feet down on the ground
I stand about ten feet tall
In every color of the rainbow
Snake skin, crocodile

[repeat verse 2]

[outro]

I wear Italian shoes
I wear Italian shoes
I wear Italian shoes
I wear Italian shoes
