

Gotta Get Closer

(Nine Inch Nails, Maxwell)

You let me violate you
You let me desecrate you
So' enough I'll liberate you
Wanna get so close and have you
Everybody say [Help Me!]
Gimme your soul, you mind, your body till we meet there
[Help Me!]
Do you wanna come back home so we can do the freak yeah !
[Help Me !]
Woohoo yeah, let me feel your soul,
Let me get away from myself, so bad
I want you [Ooh ! Baby, can't help myself ! Gotta get closer !]
[Ooh ! Baby, can't help myself ! Gotta get closer !]

Your love is hot like fire
Burning away desires
Touch me and you'll be inspired
Save your soul, save your soul !
[Help Me!]
Gimme your body, gimme your mind, your soul, sugar
[Help Me!]
Come on baby ! let me be myself, oh yeah!
[Help Me!]
Tell me what you need, help me get away from myself, so bad!
I want you [Ooh ! Baby, can't help myself ! Gotta get closer !]
Won't you feel much better standing...
[Ooh ! Baby, can't help myself ! Gotta get closer !]

I wanna love you like an animal
I wanna love you from the inside
I wanna love you like an animal
You give me reason to live
